

IT'S ACTUALLY GOING TO HAPPEN AT LAST!

St
FAITH'S
CENTRE

On 4th Oct the builders move into the Ringlestone Hall site to demolish the hall and vicarage and then start the building of the new St Faith's Centre.

On Saturday 2nd Oct 10.00 to 12.00 noon

We will have the vicarage next to the Hall open for anyone who would like to take things from the house or garden before the demolition. No charge just a contribution to the new centre.

On Saturday 2nd Oct at 3.00pm

We will have a final 'Goodbye Hall Event' celebrating the memories of happy experiences and events held there over the past 80 years. If you have photos please send in advance so we can create a presentation on the big screen. The event will be a mixture of entertainment, reminiscences, short speeches, explanation of plans for the future and prayers.

On Sunday 3rd Oct at 11.00am

We will have our final service in the hall. It will be informal and relaxed, again giving thanks for the past and praying for the future.

All welcome

So what happens when the hall is out of action?

We hope that most events will still carry on in the halls attached to St Faith's Church, by Brenchley Gardens and Museum

The current events will be.....

- ♦ **Sunday services 10.00am**
- ♦ **AA on Monday 8.00pm**
- ♦ **'Ringletons' on a Tuesday from 10.00-11.30am**
- ♦ **Karate on Wednesday 5.30-7.30pm**
- ♦ **'Slimming World' on Saturday from 7.30-11.30am**

If you want to inquire about booking the church hall please refer to our website st-faiths.org.uk

This is an exciting new venture for us.

We would love Christians, living in the area and not attached to another church, to come and be part of our congregation.

Please contact us and we can explain more of what we are doing and how you could get involved.
